

WEST VILLAGE ONE CONSTRUCTION UPDATE

6 JULY 2017

WILSON STREET – WORKS AND PARTIAL ROAD CLOSURE

From Friday 7th July necessary works will take place in Wilson Street. This includes a footpath closure along the northern footpath (West Village side of the street). Pedestrian access will be maintained at all times via the southern footpath.

On Wednesday 12th July Wilson Street will be closed to vehicle traffic in the area shown in the map below, between 6:30am to 6:30pm.

This closure will not affect access to the bank carpark or Max Watts.

No services (water, electricity, etc.) will be interrupted during this road closure.

We apologise for the inconvenience of this road closure, however it is essential to install new stormwater management systems.

Management plans for the potential for dust and noise impacts on surrounding homes and businesses will continue to be implemented.

Please call the Construction Information Line - 07 3096 0066 - if you have any queries about construction activities.
