# DAVID BROMLEY AT WEST VILLAGE!

WE ARE THRILLED TO ANNOUNCE DAVID BROMLEY AS THE FIRST ARTIST-IN-RESIDENCE AT WEST VILLAGE.

During the month of April, David, wife Yuge and their team transformed the first floor of the historic Peters Ice Cream Factory into an art studio, gallery and event space. This space is next open to the public on June 17 & 18, and is also available for private bookings.

The Peters Ice Cream Factory holds a special place in David's heart, as he began his career as a sign writer for Peters.

Our Artist-in-Residence program is a part of our commitment to ensure West Village is a place for the arts and creative industries.

# LIVE IN THE CITY, DITCH THE CAR!

More and more Australians are turning their back on car ownership and instead opting for car sharing, and this is now possible in West End!

GoGet is Australia's leading car share provider with more than 90,000 members. The online service allows its members to pay only for the time they use a car; which can be hired for as little as one hour. For every GoGet car, 9 private cars are taken off the road.

You'll now find GoGet's first West End pod at West Village on Mollison Street. The Audi A1 named 'Lulu', is the first of what will be a fleet of 10 car share vehicles at West Village. Membership is open to everyone in the community\*, and all West Village residents will receive 1 year free membership.

*\* Membership criteria applies.*
