

This update provides the West Village community with information about construction works in the West Village precinct. Construction permits allow for hours of work from 6.30am to 6.30pm from Monday to Saturday. Occasional out-of-hours works occur with permission from authorities.

**Crane installation:** Due to weather conditions the installation of the tower crane and mobile crane in this area has been rescheduled to 5 January 2021.

**Scaffolding:** In January 2021 scaffolding will be installed around the perimeter of Arcadia South up to level 2. General construction noise over approximately 4 days.

**Road cleaning:** 21-23 December there will be pressure washing and sealing the road surface of Little Jane Lane. Some temporary odour from the sealer.

### Mollison St BCC Stormwater Review:

Brisbane City Council advises that a review of stormwater infrastructure will include works in Mollison St for about 6 weeks from December 2020.

The Council's contractor for this work is Hutchinson Builders.

This work is not part of the West Village project.

**Construction work stops from 19 December 2020 and restarts on 4 January 2021**

### West Village site security and safety:

The building site will be closed from 19 December 2020 to 4 January 2021. A security firm will conduct regular patrols.

If you observe criminal activity or an emergency on the site please call 000. To report a non-urgent matter please call PoliceLink on 131 444.

If you have a concern regarding the construction site please contact the Hutchies West Village Info Line on 3096 0066.
