

WEST VILLAGE'S SUMMER OF FUN FOR IMMEDIATE RELEASE

Gather the family and celebrate the opening of West Village's new public parkland, The Common with a huge range of summer activities for everyone!

For the early birds or those looking for some mid-week zen, [Yoga on The Common](#) offers free pilates at 6am on Mondays or yoga at 6pm on Wednesdays, or kick back with live music at The Garden Pantry from 5pm on Fridays and Saturdays, and 3pm on Sundays.

West Village is also playing host to an array of unique and engaging activities for kids - make the most of the sunshine with face painting and giant lawn games on weekends from 9am-4pm (or cool off with a splash through the water jets).

When things start to get a little stir-crazy at home, West End's free kid's art studio, [Creative Kids](#), is the perfect place to banish boredom! Kicking off at 9am every day from December 1-21, activities include fluoro dream catchers, clay gingerbread houses, and paddle pop Santas!

For the green thumb or gardening grommet, [Eco Kids in conjunction with CitySmart](#) involves free weekday workshops from 9am-10am throughout December and January including herb seedling plantings (3rd, 10th, 17th December and 7th, 14th and 21st January), dream catchers (4th, 11th, 18th December and 8th, 15th & 22nd January), cute grass heads planters (5th, 12th, 19th December and 9th, 16th & 23rd January), summer daisy flower crowns (6th, 13th, 20th December and 10th, 17th & 24th January), and hands-on experiences with bees and chickens (7th, 14th, 21st December and 11th, 18th & 25th January).

On Mondays-Thursdays from 4pm-6pm, kids can burn off the last of the day's energy with West Village's [Twilight Kids](#). There's bubble workshops (10,17 December and 7, 14, 21 January), slime workshops (11, 18 December and 8, 15, 22 January),

lantern-making (12,19 December and 9,16, 23 January), and silent disco yoga (13, 20 December and 10, 17, 24 January). Registrations for Twilight Kids are essential, and can be made at [here](#).

It isn't all about summer, though - Christmas is also taking over West Village! The Common's main artistic feature, LightGarden by Luxxbox, will transform into a Christmas light garden with a new sequence of red, green and white lights to delight all visitors.

From 6pm on December 18-20 and 10:30am on December 22, get into the swing of the season with a roving Christmas choir. For fabulous last-minute Christmas crafts, join Brisbane Market Place on December 22 at 8am or 10am to [make your own organic wreath](#) of native foliage, gumnuts, sea holly and dried sorghum, with festive hessian bows to top it off. If you're hosting on Christmas Day, pick up some fresh blooms at the flower market, (also hosted by Brisbane Market Place) perfect for brightening up Christmas lunch table!

From slime-filled fun to gardening discovery and Christmas classics, there's something for everyone at West Village this summer.
