

## **WEST VILLAGE CONSTRUCTION UPDATE**

**07<sup>th</sup> June 2019**

Neighbours and Local Business Owners,

**OUT OF HOURS WORK – 111 Boundary St, WEST END**

**TUESDAY 11<sup>TH</sup> JUNE 2019**

Please be advised out of hours work will occur at 111 Boundary St West End between 5:00am and 6:30am on the 11<sup>th</sup> June 2019 to allow for the concrete pour for the structural transfer slab.

This slab is larger than a standard suspended concrete slab, and therefore work must begin earlier so that the pour can be finished prior to the middle of the day heat (pouring during extreme heat compromises slab strength and durability).

The work has been scheduled for this date and time to coincide with previously notified out of hours works on Mollison Street, so as to minimise disruption to neighbours.

The site contact during the out of hours works is Andy Morgan 0412 762 226

We apologize for any inconvenience.

Please visit [www.westvillagecommunity.com.au](http://www.westvillagecommunity.com.au) or call the Community Information Line – 07 3096 0066 – if you have any queries about the these works.
